

# 8<sup>th</sup> Grade “Legacy” Tiles

Please support the 8<sup>th</sup> grade Promotion by purchasing a Class of 2009 “Legacy” tile! Your student can design their own tile for only \$20! What a great way to continue to be a part of AOMS in the years to come! Students will design and paint their own tiles during lunch (Tuesday – Thursday’s through the end of April). In keeping with our “Recycling” theme, the tiles will be placed on special bins purchased for the 8<sup>th</sup> grade class and placed permanently in front of the main office.

Please fill out the form on the bottom of the page and return to the office or in the lunch area on Tuesday’s and Thursday’s until April 23<sup>rd</sup>. Checks should be written to AOMS PTSA.
