

AVIARA OAKS MIDDLE SCHOOL

EMAIL REGISTRATION NOTICE

2006-2007

Aviara Oaks Middle School has implemented a weekly email notification system for interested parents. To be added or removed from our AOMS Update distribution list, please go to the AOMS Web site and click on:

<http://www.aviaraoaksmiddle.com/contact.htm>.

Towards the bottom of the page you will see the question, “**Would you like to subscribe to our Email Blast? Click [here](#)**”. Double click on the word [here](#) and a prepared e-mail with the required information needed will pop up. Please complete the information to receive email notifications and then send the e-mail. By providing your email address, we will place you in our “AOMS Update” database.

Our goal is to improve communication between the school and home by providing you with timely weekly notification via email of important information and upcoming events and activities happening here at AOMS. The information you provide will be used for this purpose only and will not be published or shared.

AOMS staff will not be responsible for any missed email communications. We ask that you help us keep you informed by notifying our email coordinator of any changes to your email address as soon as possible via the link provided above.
